

Kissinggate Brewery

October Festival

Saturday 19th October 11.00am ~ 8.00pm

Join us at Kissinggate Brewery to celebrate the onset of winter. We'll have at least 12 great cask beers to choose from including a green hopped special and of course a selection of dark beers too.

We will be serving local gins, rums, cider and English sparkling wine from our taproom bar.

Plenty of Kissinggate fresh bakes available throughout the day and a big BBQ for the hungry!
